

# PATIENTCO'S EPIC-CERTIFIED INTEGRATIONS THROUGH APP ORCHARD POWER BETTER EXPERIENCES FOR PATIENTS & STAFF

## PATIENT FINANCIAL EXPERIENCE

### Exceed consumer expectations:

- Grow digital engagement & MyChart adoption with user preferences in mind
- Simplify & personalize communication to reduce confusion & build trust
- Tailor payment options in MyChart with integrated non-FICO propensity-to-pay models

## ENTERPRISE EASE-OF-USE

### Drive positive business outcomes with:

- A payment network built for the distinct needs of Epic clients with better infrastructure & fewer vendors
- Real-time reporting that supports management and helps prioritize staff activities
- Data-driven insights that fuel your Epic platform, no action or upgrades required
